Focus on Events

Unity Day was spoke of in May (long time ago)

Michael: Make the meeting a Destination point. What its doing best, going out to intergroup meeting. "May not want to be of service, but they do like to help." Track better attendance with a quarterly intergroup meeting. Or go to a face to face talking to people. Could use some help. Don't just sit around and talk. Have them get something.

Franchi: Have an officer go thru the bullet points, explain what IG does at a face to face meeting.

Ashley: Super disappointed today. The turn out isn't much. What are you getting out of it? It's pretty administrative.

Michael: Might think about calling a special meeting. Somebody call contact person and get a specific person to come.

Wendy: have a meeting at our meeting why they don't come to IG.

Ashley: Set up a Survey Monkey (great idea)

Lori: IG would give a report and make it exciting in LA. Invite people personally works well. I want to carry this message to this meeting.

Carol: put out a flyer. A survey won't work, we know the answers. Find a specific person to be an IG. We need an intergroup rep and a discussion in the meeting.

Wendy: what are the dates of these meetings,

Mandy: make a flyer. Go to meetings. Carol and Wendy will make a flyer about intergroup. In January go to the meetings.

Unity Day: Feb 24th Longmont Church? 12-2 Get a flyer going out. Save the Date.

Carol and Wendy make a IG flyer for early January
