- ❖ WSBC
  - We want input from groups re. whether the following items should be on the WSBC agenda: 1, 6, 9, 10, A, B, J, K, L, P, Q, R, S
  - Input from groups is needed to BJ by February 12
  - BJ and Mandy to collate the responses by February 16
  - BJ to send responses to WSO by February 22
- ❖ Health Fairs
  - Need support to handle the fairs – the biggest issue is getting materials – literature and tablecloths to the people who will be staffing the fairs. It's hardest to transfer these from one week to the next.
  - Solution: get additional literature and tablecloths.
  - We will assess the literature needs as part of the activities during Unity Day.
  - Al will order 2 additional tablecloths.
  - We will use grocery bags instead of boxes, which are too bulky and heavy.
- ❖ Telephone Service
  - Carol reported we have not gotten any 'legitimate' calls on the phone line for some time now.
  - We will begin to use CCI's phone service.
  - We need volunteers to help staff CCI's service. Al is the first volunteer and will report on how it works.
  - Al will cancel our existing phone service, after paying whatever is due on our account.
- ❖ Next Meeting: March 11, 4:15 PM at same location.
  - It's possible that the rent will be increased to \$25/hour vs. \$25 for the 1.5 hours we're currently paying.
  - Al will check with Carol to see if we owe rent for the December meeting.

❖ Other info:

- Outreach: There is a panel on March 1 at Platt Middle School, 6pm-8pm, Understanding Eating Disorders. Wendy will be on the panel.
- Region III Spring Assembly is April 13-15 in Utah. We need an additional representative for this meeting. Also, we are entitled to two representatives at WSBC.
