

Northern Colorado Intergroup Of OA

December Updates and Announcements

In October your NCIGOA elected several new officers, added a few meeting reps, and now has a full contingent of officers serving our membership. However, we still need every meeting represented; as we need your input and need folks to help with some of our special events and committees. If your local meeting doesn't already, please send a meeting rep to our next meeting, Monday, February 1st, at 6:30pm via Zoom. Send a message to northernserenity@gmail.com if you'd like to attend!

Check out our webpage providing upcoming events at oanoco.org under Events, including **this Sat. 12/12- OA's 12th Step Within Day**; and Sunday's Virtual Region Workshop – focus on Young People.

Check out OA Denver at oadenver.org; for info on the upcoming annual Candlelight event this coming Monday 12/14 at 6:30pm; & the New Year's Celebration 1/1/21 at 11am.
